

Tearoom Assistant - Saturdays

We're expanding our weekend team, come and work in the beautiful historic setting of the manor that once belonged to Jane Austen's brother!

This role at Chawton House will provide an exceptional visitor experience for all customers of the Old Kitchen Tearoom during the visitor season (4th March – 16th December 2019).

Our tearoom is getting busier, it seems that people can't get enough of our tea, cakes and light lunches, especially on sunny days when they can soak up the sun in our courtyard. We're looking for energetic, friendly and enthusiastic people to come and prepare food in the kitchen on Saturdays, could this be you?

Our ideal candidate would have:

- Experience of working in a café/tearoom/restaurant or similar
- Confidence in the kitchen and ability to multi-task on busy days when orders keep coming.
- Pride in their work and the ability to be pro-active so that our Tearoom is always at its best.
- Excellent customer service skills – must be warm, friendly and welcoming!

Competitive hourly rate, commensurate with experience.

Please contact our Louisa Carpenter, Visitor Experience Manager, if you're interested in applying: louisa.carpenter@chawtonhouse.org
